Culture

Material assistance can only go so far.

It is important to transmit our humanitarian ideals of helping the world with mercy and compassion to the recipients of the goods, so that they will understand that people must love and care for each other.

Master Cheng Yen

文化

若只是物質上的救濟
這種幫助畢竟有限
而是要將慈悲濟世的
人道精神文化傳達給對方
讓他們知道人與人之間要
相互關心、相互愛護
這才是最重要的
